

GILMAN VOLLEYBALL CAMPS 2017

This camp is going to be a great opportunity for both kids looking for their first exposure to the sport and learning fundamental skills, as well as, more skilled volleyball players looking to further develop and refine their techniques. Each session is going to consist of drills and play time focused on specific skills or aspects of the game. This is also a great opportunity to step up your game for try-outs. Campers will have a unique opportunity to get feedback and experience with both Gilman volleyball coaches, Diego Matorras and Jill Anthony, but also from our guest coach, Jeff Kim. Jeff Kim was a division one player from the west coast with years of coaching experience. Participants can expect a lot of growth and a lot of fun.
