The Gilman Lacrosse Camp is about kids and fun.

We are dedicated to teaching the fundamentals of lacrosse in an enjoyable and confidence-building atmosphere, which includes an emphasis on sportsmanship for all our participants and coaches.

### Camp Director & Staff Instruction

Brooks Matthews has worked at Gilman for 23 years where he has both taught and coached in the middle and upper schools. Coach Matthews has served as Gilman's Varsity Head Coach since 2005 and led the Greyhounds to the 2009 and 2011 MIAA Championships. The staff of current and former Gilman coaches and players possess the technical knowledge and utilize proven teaching techniques for positive instruction. An emphasis on skill development, such as passing, catching, ground balls, dodging, shooting, and footwork helps the kids learn and have fun. In addition, team play is taught so young players learn how to get open for a pass or shot as well as pass to the open man. Contests are held to hone these skills as well as prepare players for full field play during the latter stages of camp.
