

Gilman Skills: Knowledge, Character, Contribution

THINK

critically and
expansively about
our complex world.

CREATE

works of self-expression
that serve and
inspire others.

APPLIED

KNOWLEDGE

COMMUNICATE

effectively
with diverse
audiences.

COLLABORATE

to solve problems
and affect positive
community impact.

The pursuit of academic excellence at Gilman begins with our shared belief that boys experience transformative learning when they connect disciplines, people, and ideas in ways that deepen their sense of self and serve the needs of others.

We believe excellent teaching and learning prepares boys for the rigors of each successive step in their academic journey and, over time, fortifies their efforts to improve the communities in which they play, work, and live.
